

Carder Steuben Club

MISSION STATEMENT:

To encourage and promote the collecting and enjoyment of the glass of Frederick Carder.

The Club provides a structure within which collectors, scholars, dealers, and friends can work to encourage, publicize and promote the collection, enjoyment, history and artistry of the glass created by Frederick Carder during his years at Steuben Glass Works.

Membership in the Carder Steuben Club automatically gives you Associate membership in the Corning Museum of Glass and all its reciprocal museum benefits for one year.
